

Robert Dohner

ASSISTANT SUPERINTENDENT

SUMMARY OF QUALIFICATIONS

- Excellent experience in golf course management at varying facilities and regions
- Proven ability to achieve results and maintain quality playing conditions in multiple growing environments
- Extensive project management skills and ability to work with contractors in various situations
- Maintain good relationships and open communication with members, golf professionals and clubhouse managers
- Ability to manage efficiently; complete tasks in-house to save and get the most out of employees

PROFESSIONAL EXPERIENCE

Fresh Meadow Country Club Senior Assistant Superintendent

Lake Success, NY
2020-Present

18 Hole Charles Allison, par 72 golf course on 170 acres of rolling hills and drastic elevation changes

- Maintain quality conditions for a discerning membership located in the demanding NY metro area; \$2.1M budget
- Work closely with management and golf staff for maximum efficiency and playability
- Communicate daily with pro shop staff and starter about daily schedule; strengthened planning skills
- Helped plan and execute a \$2 million driving range/tee expansion
- Enhanced problem-solving skills under a fast-paced environment

The Seawane Club Senior Assistant Superintendent

Hewlett Harbor, NY
2014-2020

18 Hole Devereux Emmett links style golf course on 150 acres averaging 12,000 rounds per season

- Designed and installed an upgraded fairway irrigation system to allow for a more efficient watering strategy
- Oversaw the in-house relocation and reconstruction of four different tee complexes
- Developed ability to adapt with budget limits by retaining key staff members and focused purchasing to offset costs
- Revitalized older Poa greens by converting to a more disease and drought resistant cultivar of Bentgrass
- Consistently battle heavy salt-polluted fairways that are situated just above sea level on an ocean inlet
- Created the first ever Pollinator Project Garden at The Seawane Club to promote environmental outreach

Schuylkill Country Club Assistant Superintendent

Orwigsburg, PA
2012-2014

18 Hole Donald Ross parkland style golf course built on heavy clay soils in Southeastern Pennsylvania.

- Gained direct, hands-on experience in agronomic programs necessary to delivery optimal playing surfaces
- Led an in-house crew to accomplish a herringbone drainage system on a low-lying fairway
- Aided in hiring and training new employees in all aspects of the turfgrass operation
- Elevated the appearance of the Audubon certified native areas for increased environmental exposure
